**I will stand on a scale so the nurse
can see how much I weigh.**

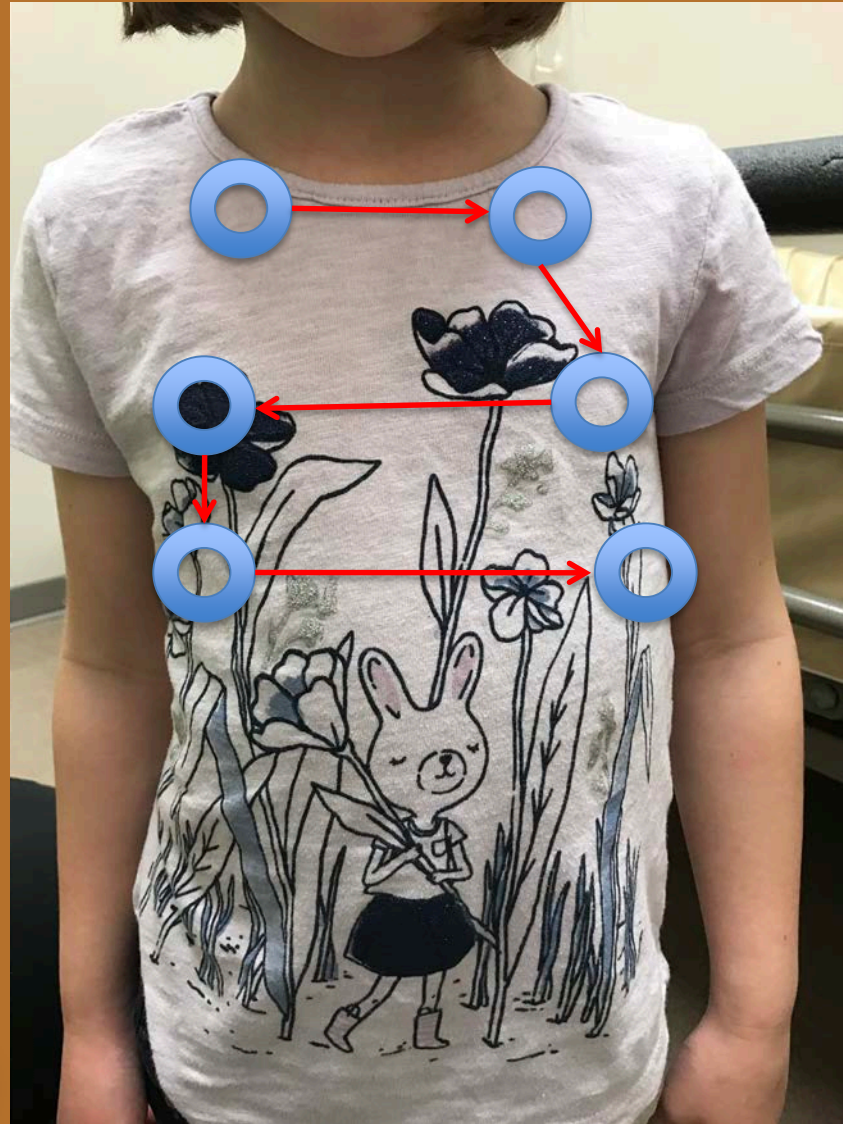

**The nurse will listen to my chest
with a stethoscope.**

I will breathe in and out.

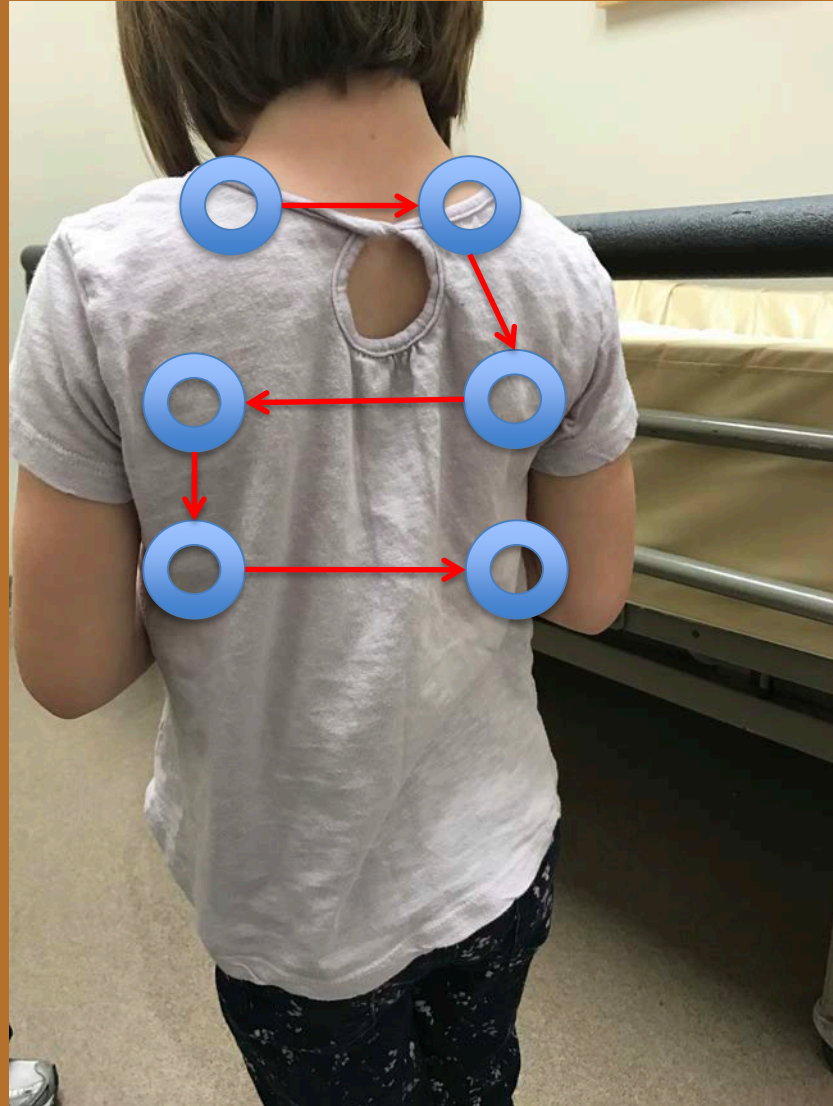

I will be ok.

The nurse will listen to 6 different places on my front.

The nurse will listen to 6 different places on my back.

I will try and go to the washroom.

I can play and wait.

When it is my turn, I will follow the nurse to the treatment room.

I will be ok.

I will sit in a big chair.

**I will watch the iPad while I breathe in
and out through a mask.**

I will be ok.
